NEW EXHIBITION AREAS

One of the highlights in 2015 was **Spot on Beauty**, an area of 3,700 sqm dedicated to companies focused on finished products for the spa & wellness, hair, nail, cosmetics & personal care sectors.

Visitors get to select seven travel-size products from the participating companies for a small cash donation. The technical sponsor was HCP Packaging Hong Kong Limited, which produced the gift box.

Reflecting one of the biggest global trends in the beauty industry today, a new initiative was introduced at the fair called **Discover Trends**.

This area offered visitors a rich selection of innovative products from the three fastest-growing segments of the cosmetic industry: **natural & organic**, **baby care** and **men's care**. 26 companies from 9 countries took part.
