

## 2018 Best of Natural Beauty Awards

Ten years ago, we chose April for our Best of Natural Beauty Awards issue because we felt like spring perfectly captured the spirit of natural beauty. In fact, one of the definitions for springtime, according to Merriam-Webster, is “youth.” And isn’t that the very essence of beauty, feeling and looking youthful and vibrant?

## 2018 Best of Natural Beauty Awards: Hair

What's better than the ultimate shampoo and conditioner pairing? How about a dry shampoo that gives you days between washes?

### Royal Cream Regenerating Conditioner

Aloe vera, wheat germ extracts, and jojoba oil deeply nourish and revitalize dry, damaged, or color-treated hair. It restores hair's natural balance and seals the hair's cuticles, preserving color intensity.
